

Conclusion

Description

Final remarks

Thanks to Profs. Arens, Vliegenthart, Lindberg, Kobata, and I

Thanks to all students, PhD students, post-docs, and technicians
Utrecht University and the University of Groningen.

Thanks to all bodies who supplied the grants for doing research

Thanks to all (inter)national friends for collaborations.

45 years of carbohydrate research

Key words: creative, hobby, passion, patience, modesty,
mountains, deep valleys, an open eye, luck

Using the talents that I have got in my life as good as possible

But it was also a way of serving the community.
