Description

### Final remarks

Thanks to Profs. Arens, Vliegenthart, Lindberg, Kobata, and M

Thanks to all students, PhD students, post-docs, and technicians  
Utrecht University and the University of Groningen.

Thanks to all bodies who supplied the grants for doing research

Thanks to all (inter)national friends for collaborations.

#### 45 years of carbohydrate research

Key words: creative, hobby, passion, patience, modesty,  
mountains, deep valleys, an open eye, luck

Using the talents that I have got in my life as good as possible

But it was also a way of serving the community.
